

Dear Alumni and Friends:

The 100 plus participating golfers are area alumni and friends of Nicholls State University. While scholarships are already an integral part of the Nicholls Alumni Federation's mission, it is our hope that this tournament will contribute enough to allow us to give an even greater amount of scholarships and increase the monetary amounts of current scholarships.

John and Clara Brady have made great contributions to Nicholls State University. It is because of their commitment we honor him in naming this event after him. John Brady's vision was to build a golf course for the people of the bayou region to enjoy. We invite you to honor his vision and assist in promoting higher education by becoming a part of this event.

Your four-member team will be treated to 18 holes in one of two shotgun starts on Friday, October 21, 2011.

Food and beverages will be provided on the course, and every participant will receive a free gift bag.

The double shotgun tournament begins with a morning session at 8 a.m. The afternoon session will tee off at 1 p.m.
